

The Adopt-A-Student program gives you an opportunity to assist and encourage students to continue in their studies for the preaching and teaching ministry. Your charitable gift will make a difference by providing immediate debt relief for students and their families.

You may offer a one-time gift or provide support over a defined period of time. It is a meaningful and wonderful way to support MLS. Your gift will benefit a student based on financial need, commitment to the ministry and academic eligibility.

We at MLS thank you for your continued prayerful support of our ministry. By "our ministry," I mean yours and mine. You are a part of our ministry because you support it with your prayers and offerings, with time and with your encouragements. For this we are truly grateful and praise our Father in heaven!

Adopt A Student

An Opportunity to Make a Difference

Many of us have been blessed with financial security. But some families with students at MLS are desperately trying to make ends meet. We have parents who have lost

their jobs, are facing disability, or have had everything go wrong that can go wrong. They want to keep their children at MLS because of its gospel proclamation and special purpose: training students for the public ministry of the gospel. Those students whose parents cannot meet their financial obligations may be forced to discontinue.

This is where Adopt-A-Student comes in. This program was put in place to help those families who have need for financial assistance above and beyond what we are able to give with our regular MLS financial aid package. Currently almost 10 percent of our student body is in need of additional financial assistance.

If you or someone you know has been blessed by the Lord to be in a position to Adopt-A-Student and assist with his or her school expenses, consider helping.

Tuition & Fees at Michigan Lutheran Seminary 2009-2010

Tuition & General Fees	\$4,725.00
Costs to stay in the dormitory	\$3,200.00
Total cost for the school year	\$7,925.00

The Adopt-A-Student Program helps to ensure that all students at MLS will continue to receive excellent Christian education and training for ministry, no matter their financial situation.

This is another way to say “Thank you” to God for his many material and spiritual blessings, especially our salvation in Christ.

If we are so blessed as to exceed the needs the current school year requires, the excess may go to the general student assistance fund.
