

MLS BOOSTER CLUB 2010 3 ON 3 TOURNAMENT

Please post this in both Church and School (if applicable) and make copies for your students. The mailing is close to the deadline date. If you find yourself having trouble getting the form back before Mar. 12th, please email me at tdyerks@yahoo.com with team information and put the hard copy of registration and check in the mail. (We need to know how many teams to set up and shirts to order, but the hard copy and check can arrive after Mar. 12.)

Parents, please be reminded that coaching from the sidelines is not allowed. The kids are on their own to have fun! (coaching strategies between games is fine, just not during the play)

If you have any questions, feel free to contact me at above email address or the following phones:

See you on March 20th!

(Note that the t-shirt sizes are in adult. We only order enough t-shirts for those who are registered, so switching sizes can not be done that day.)
